

2017 SESSION OPERATING BUDGET AMENDMENT PROPOSAL

OFFERED IN: The House Finance Education Subcommittee

TO: HB 57 Operating Budget

OFFERED BY: Rep. Dave Talerico

DEPARTMENT: Education and Early Development

APPROPRIATION: Libraries, Archives and Museums.

ALLOCATION: Online with Libraries

DELETE: \$261.800 UGF (1004)

EXPLANATION: This reduction will not impact the K-12 classroom. It will limit the amount of funds available to subsidize public libraries to provide faster internet and video conferencing to the public. This is a nice program when there is extra money, however there is none and this program is not closely germane to educating our k-12 students.
