Today has been quite a day in the news with expected, but yet, unexpected results of the FDA's Deeming Regulations. We are making available, a hosted copy of the PDF here on the Vapeix.io site for anyone to share or download the document in PDF format, making it easier for advocates and consumers within the industry to access or view the complete 499 page document.

It's important to spread the word about how you can still help to oppose the new deeming regulations by supporting the **H.R.2058 – FDA Deeming Authority Clarification Act of 2015**.

To stay up to date on additional information regarding H.R.2058, be sure to [create](#) a Vapeix Social account and join the dedicated "[Support H.R. 2058 – Vapeix Group](#)" of which members of the community have formed. If your new to Vapeix and haven't yet learned about Vapeix Social community, you can quickly learn more [here](#).
