

Karen Perdue

Dear Governor Walker,

I am writing this letter to express my interest in an appointment to either the Alaska Mental Health Trust Authority or the Board of Regents.

With regard to the Alaska Mental Health Trust Authority, I have a long and deep interest in addressing the needs of the most vulnerable Alaskans. In my 20 plus years in State government, I worked for many years to help settle the case and then as Commissioner of Health I worked to help implement the Trust in its first years. Over the years I have been involved in many many activities with the Trust to improve services for the beneficiaries. This included reconfiguring the emergency psychiatric services in the state, implementing an FASD prevention and diagnosis system, developing the first community based waivers for persons with developmental disabilities.

Probably most important, many of my family members have struggled with addiction or disability. I helped launch a multi-year project to research the residents of Morningside Hospital, the original Oregon facility that housed our Trust beneficiaries. That group of about 3,000 Alaskans included my uncle.

With regard to the Board of Regents, I have a long association with the Board of Regents. I served as the Associate Vice President of the University of Alaska Statewide system for a decade. I learned a tremendous amount about the role the University plays in our state and how the system fits together. I think this kind of knowledge is vitally important in a time when the University is facing restructuring due to funding issues.

As you know I was raised in Fairbanks and I am reside here today. I feel regional representation is very important in choosing Board members.

Thank you for your consideration. Enclosed is my resume.

Karen Perdue

General Information

Board/Commission and seat you are seeking:

Mental Health Trust Authority, Trustee

Additional Boards/Commissions of interest:

None

State Boards/Commissions on which you have served:

Numerous as Commissioner of Health and Social Services

First Name

Karen

Middle Name

Ruth

Last Name

Perdue

Military Service

Conflict of Interest

Full disclosure of personal financial data under AS 39.50.010 is required for certain boards and commissions. Are you willing to provide this information if required for the board or commission which you are applying?

Yes

Service in a public office is a public trust. The Ethics Act (AS 39.52.110) prohibits substantial and material conflicts of interest. Is it possible that you or any member of your family will benefit financially by decisions to be made by the board or commission for which you are applying? If you answer 'yes' to this question you MUST explain the potential financial benefit.

No

Please explain the potential financial benefit

Education, Training, Experience & Qualifications

List both formal and informal education and training experiences:

Bachelors Degree Stanford University 1978

Numerous Trainings

List any professional licenses, certifications, or registrations and dates obtained that may be used as qualifying criteria:

I served in State government under four governors and participated in numerous activities related to settling the Alaska Mental Health Trust litigation through legislation. For instance, I represented the administration on a task force which included advocates such as John Malone, Lydia Selkregg and George Rogers to come up with the eventual framework for the Trust. As Commissioner of Health and Social Services I assisted the setting up of the Trust Board and operating procedures and participated in their meetings during the formation stage. I have had extensive contact with the other Boards as well, including the Governor's Council on Disabilities, the Mental Health Board and the Council on Alcohol and Substance Abuse. In my community of Fairbanks I have participated in many policy meetings regarding addressing our behavioral health needs. I had a large role in the development of a multidisciplinary project to address the chronic inebriate problem called the Golden Heart Project. As a member of the Fairbanks Memorial Hospital Foundation Board I deal regularly with building capacity for behavioral health and senior services in our community. During my decade long tenure at the University of Alaska as a systemwide vice president I partnered with the Trust to develop behavioral health workforce capacity.

List any community service, municipal government, and state positions held, and any awards received.
Commissioner of Health and Social Services 1994-2001

Deputy Commissioner of Health and Social Services 84-1991

Associate Vice President University of Alaska 2001-2010

Awards: Victor Howery Award for Lifetime Achievement in Mental Health, National Rural Mental Health Association 2012, Alaska Mental Health Trust Mover Award, Distinguished Service Award Alaska Public Health Association, Alaska Historical Society award for researching the history of mental health services in Alaska and the enactment of the federal law establishing the mental health lands trust.
