(a) For the purposes of this section, the following terms have the following meanings:

(1) "Bona fide educational or scientific institution" means an institution that establishes through documentation either of the following:

(A) Educational or scientific tax exemption, from the federal Internal Revenue Service or the institution's national, state, or local tax authority.

(B) Accreditation as an educational or scientific institution, from a qualified national, regional, state, or local authority for the institution's location.

(2) "Ivory" means a tooth or tusk from a species of elephant, hippopotamus, mammoth, mastodon, walrus, warthog, whale, or narwhal, or a piece thereof, whether raw ivory or worked ivory, and includes a product containing, or advertised as containing, ivory.

(3) "Rhinoceros horn" means the horn, or a piece thereof, or a derivative such as powder, of a species of rhinoceros, and includes a product containing, or advertised as containing, a rhinoceros horn.

(4) "Sale" or "sell" means selling, trading, bartering for monetary or nonmonetary consideration, giving away in conjunction with a commercial transaction, or giving away at a location where a commercial transaction occurred at least once during the same or the previous calendar year.

(5) "Total value" means either the fair market value or the actual price paid for ivory or rhinoceros horn, whichever

is greater.

(b) Except as provided in subdivision (c), it is unlawful to purchase, sell, offer for sale, possess with intent to sell, or import with intent to sell ivory or rhinoceros horn.

(c) The prohibitions set forth in subdivision (b) do not apply to any of the following:

(1) An employee or agent of the federal or state government undertaking a law enforcement activity pursuant to federal or state law, or a mandatory duty required by federal law.

(2) An activity that is authorized by an exemption or permit under federal law or that is otherwise expressly authorized under federal law.

(3) Ivory or rhinoceros horn that is part of a musical instrument, including, but not limited to, a string or wind instrument or piano, and that is less than 20 percent by volume of the instrument, if the owner or seller provides historical documentation demonstrating provenance and showing the item was manufactured no later than 1975.

(4) Ivory or rhinoceros horn that is part of a bona fide antique and that is less than five percent by volume of the antique, if the antique status is established by the owner or seller of the antique with historical documentation demonstrating provenance and showing the antique to be not less than 100 years old.

(5) The purchase, sale, offer for sale, possession with intent to sell, or importation with intent to sell ivory or rhinoceros horn for educational or scientific purposes by a bona fide educational or scientific institution if both of the following criteria are satisfied:

(A) The purchase, sale, offer for sale, possession with intent to sell, or import with intent to sell the ivory or rhinoceros horn is not prohibited by federal law.

(B) The ivory or rhinoceros horn was legally acquired before January 1, 1991, and was not subsequently transferred from one person to another for financial gain or profit after July 1, 2016.

(d) Possession of ivory or rhinoceros horn in a retail or wholesale outlet commonly used for the buying or selling of similar items is prima facie evidence of possession with intent to sell. This evidence does not preclude a finding of intent to sell based on any other evidence that may serve to establish that intent independently or in conjunction with this evidence.

(e) For a violation of any provision of this section, or any rule, regulation, or order adopted pursuant to this section, the following criminal penalties shall be imposed:

(1) For a first conviction, where the total value of the ivory or rhinoceros horn is two hundred fifty dollars (\$250) or less, the offense shall be a misdemeanor punishable by a fine of not less than one thousand dollars (\$1,000), or more than ten thousand dollars (\$10,000), imprisonment in the county jail for not more than 30 days, or by both the fine and imprisonment.

(2) For a first conviction, where the total value of the ivory or rhinoceros horn is more than two hundred fifty dollars (\$250), the offense shall be a misdemeanor punishable by a fine of not less than five thousand dollars (\$5,000), or more than forty thousand dollars (\$40,000), imprisonment in the county jail for not more than one year, or by both the fine and imprisonment.

(3) For a second or subsequent conviction, where the total value of the ivory or rhinoceros horn is two hundred fifty dollars (\$250) or less, the offense shall be a misdemeanor punishable by a fine of not less than five thousand dollars (\$5,000), or more than forty thousand dollars (\$40,000), imprisonment in county jail for not more than one year, or by both the fine and imprisonment.

(4) For a second or subsequent conviction, where the total value of the ivory or rhinoceros horn is more than two hundred fifty dollars (\$250), the offense shall be a misdemeanor punishable by a fine of not less than ten thousand dollars (\$10,000), or more than fifty thousand dollars (\$50,000) or the amount equal to two times the total value of the ivory or rhinoceros horn involved in the violation, whichever is greater, imprisonment in county jail for not more than one year, or by both the fine and imprisonment.

(f) In addition to, and separate from, any criminal penalty provided for under subdivision (e), an administrative penalty of up to ten thousand dollars (\$10,000) may be imposed for a violation of any provision of this section, or any rule, regulation, or order adopted pursuant to this section. Penalties authorized pursuant to this subdivision may be imposed by the department consistent with all of the following:

(1) The chief of enforcement issues a complaint to any person or entity on which an administrative penalty may be imposed pursuant to this section. The complaint shall allege the act or failure to act that constitutes a violation, relevant facts, the provision of law authorizing the administrative penalty to be imposed, and the proposed penalty amount.

(2) The complaint and order is served by personal notice or certified mail and informs the party served that the party may request a hearing no later than 20 days from the date of service. If a hearing is requested, it shall be scheduled before the director or his or her designee, which designee shall not be the chief of enforcement issuing the complaint and order. A request for hearing shall contain a brief statement of the material facts the party claims support his or her contention that an administrative penalty should not be imposed or that an administrative penalty of a lesser amount is warranted. A party served with a complaint pursuant to this subdivision waives the right to a hearing if no hearing is requested within 20 days of service of the complaint, in which case the order imposing the administrative penalty shall become final.

(3) The director, or his or her designee, shall control the nature and order of the hearing proceedings. Hearings shall be informal in nature, and need not be conducted according to the technical rules relating to evidence. The director, or his or her designee, shall issue a final order within 45 days of the close of the hearing. A final copy of the order shall be served by certified mail upon the party served with the complaint.

(4) A party may obtain review of the final order by filing a petition for a writ of mandate with the superior court within 30 days of the date of service of the final order. The administrative penalty shall be due and payable to the department within 60 days after the time to seek judicial review has expired or, where the party has not requested a hearing of the order, within 20 days after the order imposing an administrative penalty becomes final.

(g) For any conviction or other entry of judgment imposed by a court for a violation of this section resulting in a fine, the court may pay one-half of the fine, but not to exceed five hundred dollars (\$500), to any person giving information that led to the conviction or other entry of judgment. This reward shall not apply if the informant is a regular salaried law enforcement officer, or officer or agent of the department.

(h) Upon conviction or other entry of judgment for a violation of this section, any seized ivory or rhinoceros horn shall be forfeited and, upon forfeiture, either maintained by the department for educational or training purposes, donated by the department to a bona fide educational or scientific institution, or destroyed.

(i) Administrative penalties collected pursuant to this section shall be deposited in the Fish and Game Preservation Fund and used for law enforcement purposes upon appropriation by the Legislature.

(j) This section does not preclude enforcement under *Section 653o of the Penal Code*.

#### **HISTORY:**

Added Stats 2015 ch 475 § 2 (AB 96), effective January 1, 2016, operative July 1, 2016. Amended Stats 2016 ch 86 § 135 (SB 1171), effective January 1, 2017.

**NOTES:****Amendments:****2016 Amendment:**

(1) Substituted "do not" for "shall not" in the introductory clause of subd (c); (2) substituted "does not" for "shall not" in the second sentence of subd (d); (3) deleted "civil" after "administrative" in the first sentence of subd (f)(1); and (4) substituted "an administrative penalty should not" for "no administrative penalty should" in the third sentence of subd (f)(2).

**Note**

Stats 2015 ch 475 provides:

SECTION 1. The Legislature finds and declares all of the following:

(a) There is worldwide concern regarding the plight of elephants and rhinoceroses, who are being poached at alarming rates -- an average of 96 elephants per day are killed in Africa.

(b) Illegal poaching and wildlife trafficking is the fourth largest transnational crime and ivory helps fund the military operations of notorious terrorist groups. Smuggling gangs move tons of tusks to markets thousands of miles away.

(c) International, federal, and state laws are all being strengthened to protect these iconic species from cruelty and extinction. The states of New York and New Jersey recently enacted strong prohibitions on intrastate ivory and rhinoceros horn commerce and the federal government has proposed strengthened ivory trade and import regulations.

(d) California has prohibited the ivory trade since 1977, but a loophole has rendered the law unenforceable -- allowing illegal sales to flourish. San Francisco and Los Angeles have consistently ranked among the top trading markets for illegal ivory in the United States.

SEC. 6. This act shall become operative on July 1, 2016.
