Subject: Support for Frederick "Fritz" Johnson to be confirmed for the Board of Fish

Dear Representative Stutes,

The purpose of this letter is to provide strong support from the Bristol Bay Borough for Fritz Johnson to continue to be a member of the Alaska Board of Fish. Fritz is a valued citizen of the Bristol Bay Region and a very successful Commercial Fisherman. He has served a term on the Board and performed those duties in an outstanding manner. His participation was greatly noticed in the recent Board of Fish meetings and we are encouraged by his fairness to all regions of the state.

The Bristol Bay Borough Assembly strongly supports his continued appointment to the Board of Fish and strongly encourage you reappoint Mr. Johnson to the Board for another term.

Sincerely,
