MEMORANDUM

February 28, 2017

TO: Representative Sam Kito III
Chair, Labor & Commerce Committee

FROM: Rep. Chris Tuck
House Majority Leader

SUBJ: Memo of Changes

The Military and Veterans Affairs Committee adopted one conforming amendment to section 1 to include members of the organized militia will be covered under workers compensation who suffers injury, disability and death. Under version D, we mistakenly left out "death" which is covered under title 26. Our intention was to make title 26 and title 23 conform and cover for all three circumstances under workers compensation.
