Sectional Analysis

Changes from Version J to Version U

Section 10

Page 9, lines 12-14: Adds two additional members to the working group, including: one additional member from the construction industry with expertise in rural construction and one member from the architecture and design industry. This makes it a working group of 11 members.

Page 10, line 19: Increases the life for new school construction from 30 years to 50 years.
