During the Vietnam War, the Hmong, Khmu, Lao, Mien, and Lahoo soldiers joined U.S. Special Forces, CIA and Air American forces and fought along side each other to defeat the communist regime of The Hocht Minh Trail Lao Vietnam at L.S 85 phouphathi. Tens of thousands of Hmong soldiers died during the war and all that joined were promised Veteran status from the American government. We need to fulfill that promise by offering Hmong Veterans to have a Veteran designation on their drivers license. Hmong Veterans are proud of their service and sacrifice and we should honor them. We are requesting your support and assistance to help our Hmong Veterans and their families.

Please cosponsor this important legislation (H.B 125), which has been introduced in the House by Rep: Geran Tarr and (S.B 59) was introduced in the Senate by Senator Bill Wielechowki.

Again, Please cosponsor H.B 125 and S.B 59 for Hmong and Lao Veterans Status.

During the Vietnam War, the Hmong, Khmu, Lao, Mien, and Lahoo soldiers joined the U.S. Special Forces, CIA and Air American forces and fought alongside each other to defeat the communist regime of The Ho Chi Minh Trail Lao Vietnam at L.S. 85 phouphathi. Tens of thousands of Hmong soldiers died during the war and all that joined were promised Veteran status from the American government. This promise needs to be fulfilled by offering Hmong Veterans the Veteran designation on their driver's license, state issued identification card, and on their driver's license plate. Hmong veterans are proud of their service and sacrifice and should be rightfully honored.

We are requesting your support and assistance to help our Hmong Veterans and their families. Please cosponsor this important legislation. House Bill 125 has been introduced in the house by Representative Geran Tarr and Senate Bill 59 has been introduced in the senate by Senator Bill Wielechowski.

Thank you for cosponsoring H.B. 125 and S.B. 59 for Hmong and Lao Veterans Status.

During the Vietnam War, the Hmong, Khmu, Lao, Mien, and Lahoo soldiers joined the U.S. Special Forces, CIA and Air American forces and fought alongside each other to defeat the communist regime of The Ho Chi Minh Trail Lao Vietnam at L.S. 85 phouphathi. Tens of thousands of Hmong soldiers died during the war and all that joined were promised Veteran status from the American government. This promise needs to be fulfilled by offering Hmong Veterans the Veteran designation on their driver's license, state issued identification card, and on their driver's license plate. Hmong veterans are proud of their service and sacrifice and should be rightfully honored.

We are requesting your support and assistance to help our Hmong Veterans and their families. Please cosponsor this important legislation. House Bill 125 has been introduced in the house by Representative Geran Tarr and Senate Bill 59 has been introduced in the senate by Senator Bill Wielechowski.

Thank you for cosponsoring H.B. 125 and S.B. 59 for Hmong and Lao Veterans Status.

During the Vietnam War, the Hmong, Khmu, Lao, Mien, and Lahoo soldiers joined the U.S. Special Forces, CIA and Air American forces and fought alongside each other to defeat the communist regime of The Ho Chi Minh Trail Lao Vietnam at L.S. 85 phouphathi. Tens of thousands of Hmong soldiers died during the war and all that joined were promised Veteran status from the American government. This promise needs to be fulfilled by offering Hmong Veterans the Veteran designation on their driver's license, state issued identification card, and on their driver's license plate. During the Vietnam War, the Hmong, Khmu, Lao, Mien, and Lahoo soldiers joined U.S. Special Forces, CIA and Air American forces and fought along side each other to defeat the communist regime of The Hochi Minh Trail Lao Vietnam at L.S 85 phouphathi. Tens of thousands of Hmong soldiers died during the war and all that joined were promised Veteran status from the American government. We need to fulfill that promise by offering Hmong Veterans to have a Veteran designation on their drivers license. Hmong Veterans are proud of their service and sacrifice and we should honor them. We are requesting your support and assistance to help our Hmong Veterans and their families.

Please cosponsor this important legislation (H.B 125), which has been introduced in the House by Rep: Geran Tarr and (S.B 59) was introduced in the Senate by Senator Bill Wielechowski.

Again, Please cosponsor H.B 125 and S.B 59 for Hmong and Lao Veterans Status.

Support House Bill 125 and Senate Bill 59

During the Vietnam War, the Hmong, Khmu, Lao, Mien, and Lahoo soldiers joined the U.S. Special Forces, CIA and Air American forces and fought alongside each other to defeat the communist regime of The Hocht Minh Trail Lao Vietnam at L.S. 85 phouphathi. Tens of thousands of Hmong soldiers died during the war and all that joined were promised Veteran status from the American government. This promise needs to be fulfilled by offering Hmong Veterans the Veteran designation on their driver's license, state issued identification card, and on their driver's license plate. Hmong veterans are proud of their service and sacrifice and should be rightfully honored.

We are requesting your support and assistance to help our Hmong Veterans and their families. Please cosponsor this important legislation. House Bill 125 has been introduced in the house by Representative Geran Tarr and Senate Bill 59 has been introduced in the senate by Senator Bill Wielechowski.

Thank you for cosponsoring H.B. 125 and S.B. 59 for Hmong and Lao Veterans Status.

Support House Bill 125 and Senator Bill 59

During the Vietnam War, the Hmong, Khmu, Lao, Mien, and Lahoo soldiers joined U.S. Special Forces, CIA and Air American forces and fought along side each other to defeat the communist regime of The Hocht Minh Trail Lao Vietnam at L.S 85 phouphathi. Tens of thousands of Hmong soldiers died during the war and all that joined were promised Veteran status from the American government. We need to fulfill that promise by offering Hmong Veterans to have a Veteran designation on their drivers license. Hmong Veterans are proud of their service and sacrifice and we should honor them. We are requesting your support and assistance to help our Hmong Veterans and their families.

Please cosponsor this important legislation (H.B 125), which has been introduced in the House by Rep: Geran Tarr and (S.B 59) was introduced in the Senate by Senator Bill Wielechowski.

Again, Please cosponsor H.B 125 and S.B 59 for Hmong and Lao Veterans Status.

Sincerely,

During the Vietnam War, the Hmong, Khmu, Lao, Mien, and Lahoo soldiers joined U.S. Special Forces, CIA and Air American forces and fought along side each other to defeat the communist regime of The Ho Chi Minh Trail Lao Vietnam at L.S 85 phouphathi. Tens of thousands of Hmong soldiers died during the war and all that joined were promised Veteran status from the American government. We need to fulfill that promise by offering Hmong Veterans to have a Veteran designation on their drivers license. Hmong Veterans are proud of their service and sacrifice and we should honor them. We are requesting your support and assistance to help our Hmong Veterans and their families.

Please cosponsor this important legislation (H.B 125), which has been introduced in the House by Rep: Geran Tarr and (S.B 59) was introduced in the Senate by Senator Bill Wielechowski.

Again, Please cosponsor H.B 125 and S.B 59 for Hmong and Lao Veterans Status.

During the Vietnam War, the Hmong, Khmu, Lao, Mien, and Lahoo soldiers joined U.S. Special Forces, CIA and Air American forces and fought along side each other to defeat the communist regime of The Ho Chi Minh Trail Lao Vietnam at L.S 85 phouphathi. Tens of thousands of Hmong soldiers died during the war and all that joined were promised Veteran status from the American government. We need to fulfill that promise by offering Hmong Veterans to have a Veteran designation on their drivers license. Hmong Veterans are proud of their service and sacrifice and we should honor them. We are requesting your support and assistance to help our Hmong Veterans and their families.

Please cosponsor this important legislation (H.B 125), which has been introduced in the House by Rep: Geran Tarr and (S.B 59) was introduced in the Senate by Senator Bill Wielechowki.

During the Vietnam War, the Hmong, Khmu, Lao, Mien, and Lahoo soldiers joined the U.S. Special Forces, CIA and Air American forces and fought alongside each other to defeat the communist regime of The Ho Chi Minh Trail Lao Vietnam at L.S. 85 phouphathi. Tens of thousands of Hmong soldiers died during the war and all that joined were promised Veteran status from the American government. This promise needs to be fulfilled by offering Hmong Veterans the Veteran designation on their driver's license, state issued identification card, and on their driver's license plate. Hmong veterans are proud of their service and sacrifice and should be rightfully honored.

We are requesting your support and assistance to help our Hmong Veterans and their families. Please cosponsor this important legislation. House Bill 125 has been introduced in the house by Representative Geran Tarr and Senate Bill 59 has been introduced in the senate by Senator Bill Wielechowski.

Thank you for cosponsoring H.B. 125 and S.B. 59 for Hmong and Lao Veterans Status.

During the Vietnam War Hmong, Khmu, Lao, Mien, and Lahoo soldiers joined U.S. Special Forces, CIA and Air American Forces and fought along side each Other to defeat the communist regime of North Vietnam . Tens of thousands of Hmong soldiers died during the war and all that joined were promised Veteran Status from the American Government. We need to fulfill that promise by offering Hmong Veterans to have a Veteran designation on their driver license. Hmong Veterans are proud of their service and sacrifice and we should honor them. We are Requesting your support and assistance to help our Hmong Veterans and their Families. Please cosponsor this important Legislation (H.B.125) which has been Introduced in the House by Rep: Garan Tarr and (S.B 59) was introduced in the Senate by Senator Bill Wielechowki.

During the Vietnam War, the Hmong, Khmu, Lao, Mien, and Lahoo soldiers joined U.S. Special Forces, CIA and Air American forces and fought along side each other to defeat the communist regime of The Hocht Minh Trail Lao Vietnam at L.S 85 phouphathi. Tens of thousands of Hmong soldiers died during the war and all that joined were promised Veteran status from the American government. We need to fulfill that promise by offering Hmong Veterans to have a Veteran designation on their driver's license. Hmong Veterans are proud of their service and sacrifice and we should honor them. We are requesting your support and assistance to help our Hmong Veterans and their families.

During the Vietnam War, the Hmong, Khmu, Lao, Mien, and Lahoo soldiers joined the U.S. Special Forces, CIA and Air American forces and fought alongside each other to defeat the communist regime of The Hocht Minh Trail Lao Vietnam at L.S. 85 phouphathi. Tens of thousands of Hmong soldiers died during the war and all that joined were promised Veteran status from the American government. This promise needs to be fulfilled by offering Hmong Veterans the Veteran designation on their driver's license, state issued identification card, and on their driver's license plate. Hmong veterans are proud of their service and sacrifice and should be rightfully honored.

We are requesting your support and assistance to help our Hmong Veterans and their families. Please cosponsor this important legislation. House Bill 125 has been introduced in the house by Representative Geran Tarr and Senate Bill 59 has been introduced in the senate by Senator Bill Wielechowski.

Thank you for cosponsoring H.B. 125 and S.B. 59 for Hmong and Lao Veterans Status.

Support House Bill 125 and Senate Bill 59

During the Vietnam War, the Hmong, Khmu, Lao, Mien, and Lahoo soldiers joined the U.S. Special Forces, CIA and Air American forces and fought alongside each other to defeat the communist regime of The Ho Chi Minh Trail Lao Vietnam at L.S. 85 phouphathi. Tens of thousands of Hmong soldiers died during the war and all that joined were promised Veteran status from the American government. This promise needs to be fulfilled by offering Hmong Veterans the Veteran designation on their driver's license, state issued identification card, and on their driver's license plate. Hmong veterans are proud of their service and sacrifice and should be rightfully honored.

We are requesting your support and assistance to help our Hmong Veterans and their families. Please cosponsor this important legislation. House Bill 125 has been introduced in the house by Representative Geran Tarr and Senate Bill 59 has been introduced in the senate by Senator Bill Wielechowski.

Thank you for cosponsoring H.B. 125 and S.B. 59 for Hmong and Lao Veterans Status.

Sincerely,

During the Vietnam War, the Hmong, Khmu, Lao, Mien, and Lahoo soldiers joined the U.S. Special Forces, CIA and Air American forces and fought alongside each other to defeat the communist regime of The Ho Chi Minh Trail Lao Vietnam at L.S. 85 phouphathi. Tens of thousands of Hmong soldiers died during the war and all that joined were promised Veteran status from the American government. This promise needs to be fulfilled by offering Hmong Veterans the Veteran designation on their driver's license, state issued identification card, and on their driver's license plate. Hmong veterans are proud of their service and sacrifice and should be rightfully honored.

We are requesting your support and assistance to help our Hmong Veterans and their families. Please cosponsor this important legislation. House Bill 125 has been introduced in the house by Representative Geran Tarr and Senate Bill 59 has been introduced in the senate by Senator Bill Wielechowski.

Thank you for cosponsoring H.B. 125 and S.B. 59 for Hmong and Lao Veterans Status.

During the Vietnam War, the Hmong, Khmu, Lao, Mien, and Lahoo soldiers joined U.S. Special Forces, CIA and Air American forces and fought along side each other to defeat the communist regime of The Ho Chi Minh Trail Lao Vietnam at LS 85 phouphathi. Tens of thousands of Hmong soldiers died during the war and all that joined were promised Veteran status from the American government. We need to fulfill that promise by offering Hmong Veterans to have a Veteran designation on their drivers license. Hmong Veterans are proud of their service and sacrifice and we should honor them. We are requesting your support and assistance to help our Hmong Veterans and their families.

Please cosponsor this important legislation (H.B 125), which has been Introduced in the House by Rep: Geran Tarr and (S.B 59) was Introduced in the Senate by Senator Bill Wielechowki.

Again, Please cosponsor H.B 125 and S.B 59 for Hmong and Lao Veterans Status.

Support House Bill 125 and Senator Bill 59

During the Vietnam War, the Hmong, Khmu, Lao, Mien, and Lahoo soldiers joined U.S. Special Forces, CIA and Air American forces and fought along side each other to defeat the communist regime of The Hocht Minh Trail Lao Vietnam at LS 85 phouphathi. Tens of thousands of Hmong soldiers died during the war and all that joined were promised Veteran status from the American government. We need to fulfill that promise by offering Hmong Veterans to have a Veteran designation on their drivers license. Hmong Veterans are proud of their service and sacrifice and we should honor them. We are requesting your support and assistance to help our Hmong Veterans and their families.

Please cosponsor this important legislation (H.B 125), which has been Introduced in the House by Rep: Geran Tarr and (S.B 59) was Introduced in the Senate by Senator Bill Wielechowki.

Again, Please cosponsor H.B 125 and S.B 59 for Hmong and Lao Veterans Status.

Support House Bill 125 and Senator Bill 59

During the Vietnam War, the Hmong, Khmu, Lao, Mien, and Lahoo soldiers joined U.S. Special Forces, CIA and Air American forces and fought along side each other to defeat the communist regime of The Ho Chi Minh Trail Lao Vietnam at LS 85 phouphathi. Tens of thousands of Hmong soldiers died during the war and all that joined were promised Veteran status from the American government. We need to fulfill that promise by offering Hmong Veterans to have a Veteran designation on their drivers license. Hmong Veterans are proud of their service and sacrifice and we should honor them. We are requesting your support and assistance to help our Hmong Veterans and their families.

Please cosponsor this important legislation (H.B 125), which has been Introduced in the House by Rep: Geran Tarr and (S.B 59) was Introduced in the Senate by Senator Bill Wielechowki.

Again, Please cosponsor H.B 125 and S.B 59 for Hmong and Lao Veterans Status.
