Subject: SB45

Senator;

Thank you for considering SB45, relating to exemption from construction contractor licensing. Please support and pass this bill.

This bill helps consumers to know whether the home they are buying is constructed by licensed and bonded contractors. As someone who is involved in the housing construction industry, there are too many instances where unlicensed builders mislead buyers into believing they are protected by insurance and bonding.

SB45 is a small effort to help consumers, and it does not prevent anyone from buying and selling homes.

Sincerely,

N. Claiborne Porter, Jr., AIA
