The Honorable John Coghill
Majority Leader
Alaska State Senate
Capitol Building, Suite 119
Juneau, Alaska 99801

RE: Senate Bill 86, "An Act relating to the sale, other disposal, leasing and encumbrance of Alaska Railroad Corporation land".

Dear Senator Coghill:

I encourage legislators to support SB 86 as a tool for economic development during what looks to be tough economic times for our state.

Our corporation has been involved in real estate development in Alaska for quite some time. We see great potential in this legislation for us to work with the Alaska Railroad, as development opportunities arise, to move quickly to take advantage of those opportunities.

The benefits of SB 86 go beyond just our company and the railroad. Private companies and individuals purchasing Alaska Railroad land will encourage economic growth and development, while at the same time putting the properties on the tax rolls to increase payments to local governments.

Additionally, SB 86 will bring the Alaska Railroad Corporation into alignment with other state entities that we have worked with in the past such as the Department of Transportation and Public Facilities to be able to sell land without legislative approval.

Sincerely,

Best Regards,

Curtis J. McQueen
Chief Executive Officer
