provider or a hospital.

Sec. 13.55.020. Obligations of health care providers and hospitals. A health care provider, a hospital, or an employee of a health care provider or hospital may not be subject to disciplinary action by the health care provider's or the employee's professional licensing board or held civilly or criminally liable for failure to administer, prescribe, or dispense an opioid, or for inadvertent administration of an opioid, to an individual who has executed a voluntary nonopioid directive.

Sec. 13.55.030. Prescriptions presumed valid. A prescription presented to a pharmacy is presumed to be valid, and a pharmacist may not be subject to disciplinary action by the pharmacist's professional licensing board or held civilly or criminally liable for dispensing a controlled substance in contradiction to an individual's voluntary nonopioid directive.

Sec. 13.55.040. Effect of this chapter. Nothing is this chapter shall be construed to

(1) alter an advance health care directive under AS 13.52 (Health Care Decisions Act);

(2) limit the prescribing, dispensing, or administering of an opioid overdose drug;

(3) limit an authorized health care provider or pharmacist from prescribing, dispensing, or administering an opioid for the treatment of substance abuse or opioid dependence.

Sec. 13.55.100. Definitions. In this chapter, unless the context otherwise requires,

(1) "department" means the Department of Health and Social Services;

(2) "health care provider" has the meaning given in AS 09.65.340;

(3) "hospital" has the meaning given in AS 13.52.268;

(4) "opioid" includes the opium and opiate substances and opium and opiate derivatives listed in AS 11.71.140;

(5) "opioid overdose drug" has the meaning given in AS 09.65.340.

Sec. 13.55.110. Short title. This chapter may be known as the Voluntary Nonopioid Directive Act.

* Sec. 32. AS 17.30.200(a), as amended by sec. 21, ch. 25, SLA 2016, is amended to read:

(a) The controlled substance prescription database is established in the Board of Pharmacy. The purpose of the database is to contain data as described in this section regarding every prescription for a schedule II, III, or IV controlled substance under federal law dispensed in the state to a person other than those administered to a patient at a health care facility <u>or a correctional facility, except when prescribing</u> <u>opioids to an inmate at the time of the inmate's release</u>.

* Sec. 33. AS 17.30.200(b), as amended by sec. 23, ch. 25, SLA 2016, is amended to read:

(b) The pharmacist-in-charge of each licensed or registered pharmacy, regarding each schedule II, III, or IV controlled substance under federal law dispensed by a pharmacist under the supervision of the pharmacist-in-charge, and each practitioner who directly dispenses a schedule II, III, or IV controlled substance under federal law other than those administered to a patient at a health care facility <u>or a</u> <u>correctional facility, except when prescribing opioids to an inmate at the time of the inmate's release</u>, shall submit to the board, by a procedure and in a format established by the board, the following information for inclusion in the database on at least a weekly basis:

(1) the name of the prescribing practitioner and the practitioner's federal Drug Enforcement Administration registration number or other appropriate identifier;

(2) the date of the prescription;

(3) the date the prescription was filled and the method of payment; this paragraph does not authorize the board to include individual credit card or other account numbers in the database;

(4) the name, address, and date of birth of the person for whom the prescription was written;

(5) the name and national drug code of the controlled substance;

(6) the quantity and strength of the controlled substance dispensed;

(7) the name of the drug outlet dispensing the controlled substance;

(8) a licensed pharmacist, licensed practitioner, or authorized employee of the Department of Health and Social Services responsible for utilization review of prescription drugs for the medical assistance program under AS 47.07, to the extent that the information relates specifically to utilization review of prescription drugs provided to recipients of medical assistance;

(9) the state medical examiner, to the extent that the information relates specifically to investigating the cause and manner of a person's death;

(10) an authorized employee of the Department of Health and Social
Services may receive information from the database that does not disclose the identity
of a patient, prescriber, dispenser, or dispenser location, for the purpose of identifying
and monitoring public health issues in the state; however, the information provided
under this paragraph may include the region of the state in which a patient, prescriber,
and dispenser are located and the specialty of the prescriber; and

(11) a practitioner, pharmacist, or clinical staff employed by an Alaska tribal health organization, including commissioned corps officers of the United States Public Health Service employed under a memorandum of agreement; in this paragraph, "Alaska tribal health organization" has the meaning given to "tribal health program" in 25 U.S.C. 1603.
