(5) The names of the candidates [AND THEIR PARTY DESIGNATIONS] shall be placed in separate sections on the state general election ballot under the office designation to which they were nominated. **If a candidate is registered as affiliated with a political party or political group, the [THE] party affiliation, if any, may [SHALL] be designated after the name of the candidate, upon request of the candidate. If a candidate has requested designation as nonpartisan or undeclared, that designation shall be placed after the name of the candidate. If a candidate is not registered as affiliated with a party or group and has not requested to be designated as nonpartisan or undeclared, the candidate shall be designated as undeclared.** The lieutenant governor and the governor shall be included under the same section. Provision shall be made for voting for write-in [AND NO-PARTY] candidates within each section. Paper ballots for the state general election shall be printed on white paper.

\* **Sec. 10.** AS 15.15.030 is amended by adding new paragraphs to read:

(14) The director shall include the following statement on the ballot:

A candidate's designated affiliation does not imply that the candidate is nominated or endorsed by the political party or group or that the party or group approves of or associates with that candidate,

1 but only that the candidate is registered as affiliated with the party or  
2 group.

3 (15) Instead of the statement provided by (14) of this section, when  
4 candidates for President and Vice-President of the United States appear on a general  
5 election ballot, the director shall include the following statement on the ballot:

6 A candidate's designated affiliation does not imply that the  
7 candidate is nominated or endorsed by the political party or group or  
8 that the party or group approves of or associates with that candidate,  
9 but only that the candidate is registered as affiliated with the party or  
10 group. The election for President and Vice-President of the United  
11 States is different. Some candidates for President and Vice-President  
12 are the official nominees of their political party.

13 \* **Sec. 11.** AS 15.15.060 is amended by adding a new subsection to read:

14 (e) In each polling place, the director shall require to be posted, in a location  
15 conspicuous to a person who will be voting, the following notice, written in bold:

16 A candidate's designated affiliation does not imply that the  
17 candidate is nominated or endorsed by the political party or group or  
18 that the party or group approves of or associates with that candidate,  
19 but only that the candidate is registered as affiliated with the party or  
20 group.

21 \* **Sec. 12.** AS 15.20.081(a) is amended to read:

22 (a) A qualified voter may apply in person, by mail, or by facsimile, scanning,  
23 or other electronic transmission to the director for an absentee ballot under this  
24 section. Another individual may apply for an absentee ballot on behalf of a qualified  
25 voter if that individual is designated to act on behalf of the voter in a written general  
26 power of attorney or a written special power of attorney that authorizes the other  
27 individual to apply for an absentee ballot on behalf of the voter. The application must  
28 include the address or, if the application requests delivery of an absentee ballot by  
29 electronic transmission, the telephone electronic transmission number, to which the  
30 absentee ballot is to be returned, the applicant's full Alaska residence address, and the  
31 applicant's signature. However, a person residing outside the United States and

1 applying to vote absentee in federal elections in accordance with AS 15.05.011 need  
2 not include an Alaska residence address in the application. A person may supply to a  
3 voter an absentee ballot application form with a political party or group affiliation  
4 indicated only if the voter is already registered as affiliated with the political party or  
5 group indicated. Only the voter or the individual designated by the voter in a written  
6 power of attorney under this subsection may mark the voter's choice of primary ballot  
7 on an application. A person supplying an absentee ballot application form may not  
8 design or mark the application in a manner that suggests choice of one ballot over  
9 another, except that ballot choices may be listed on an application as authorized by the  
10 division. The application must be made on a form prescribed or approved by the  
11 director. The voter or registration official shall submit the application directly to the  
12 division of elections. For purposes of this subsection, "directly to the division of  
13 elections" means that an application may not be submitted to any intermediary that  
14 could control or delay the submission of the application to the division or gather data  
15 on the applicant from the application form. However, nothing in this subsection is  
16 intended to prohibit a voter from giving a completed absentee ballot application to a  
17 friend, relative, or associate for transfer to the United States Postal Service or a private  
18 commercial delivery service for delivery to the division.

19 \* **Sec. 13.** AS 15.20.081(h) is amended to read:

20 (h) Except as provided in AS 15.20.480, an absentee ballot returned by mail  
21 from outside the United States or from an overseas voter qualifying under  
22 AS 15.05.011 that has been marked and mailed not later than election day may not be  
23 counted unless the ballot is received by the election supervisor not later than the close  
24 of business on the

25 (1) 10th day following a primary election or special **primary** election  
26 under AS 15.40.140; or
