Subject: AG Lindemuth confirmation

The state of Alaska needs to fight to keep RS2477 trail designation for the Klutina Lake Rd. Attorney General Lindemuth has ignored the rights of all Alaskans by agreeing to settle with Ahtna Regional Native Corporation and removing RS2477 designation in favor of a 100 ft easement where Ahtna controls the ability to access, camp and park, activities that were guaranteed under RS2477.

This is another case of if it ain't broke don't fix it.

AG Lindemuth has placed the wishes of one special interest above the rights of all Alaskans. If this is what we can expect from her in the future, then I strongly suggest she not be confirmed to the position of Attorney General.

Sincerely,

Charles Derrick
