Subject: Support for holding back Acting AG Lindemuth's nomination

Senators Kelly, Coghill, and Costello,

I am writing this morning to express my support for holding back Acting Attorney General Lindemuth's nomination. In regards to RS-2477, if Lindemuth can't fight for Alaskan's access to state land because she is afraid to lose, then Lindemuth has no business being our AG. Please use your power to protect Alaskan's from what would be a historic settlement with potential for significant ramifications on access issues around the state.

Regards,

Ben Rowell
