The Honorable Anna MacKinnon
Co-Chair, Senate Finance Committee
State Capitol, Room 516
Juneau, AK 99801

Dear Senator MacKinnon,

Thank you for providing the department with an opportunity to respond on the record before the Senate Finance Committee on April 14, 2017 to concerns raised during the discussion of House Bill (HB) 141. Enclosed for the committee's reference is follow up information requested during the hearing.

The first enclosure provides a list of State Training and Employment Program grants awards FY2015-FY2017. The second enclosure provides a list of the top 25 training provider individual training account (ITA) costs FY2014-FY2016. ITA costs for FY2017 will not be finalized until the end of the fiscal year. ITAs are provided to qualifying Alaskans through the Alaska Job Center network to support their training costs. The third enclosure provides 2016 Alaska annual unemployment rates by Borough or Census Area.

I also wanted to reiterate from my testimony that the department recognizes the concerns raised regarding the TVEP program and is committed to working with the Alaska Workforce Investment Board to evaluate the program and its reporting requirements for potential changes. We will provide a status report of our work to the legislature by next session.

Please let me know if you would like any additional information from the department.

Sincerely,
