Subject: education funding
Date: Tuesday, April 18, 2017 7:50:24 AM

Dear Sirs:

I am deeply concerned about the proposed 5% reduction in state education funding. This action will have serious negative consequences for students. I realize that our state's fiscal situation requires action, but I am hoping that education will remain a priority and not be so deeply cut. Our kids are our most important resource in our state.

Thank you,
Eric Knudtson
