

PETITION for ACTION to CLOSE ALASKA'S BUDGET GAP

Governor Walker, Senator Micciche, Representative Knopp, Representative Chenault, and Finance Committees:

As your concerned constituents, we, the undersigned, wholeheartedly support your efforts to close Alaska's \$2.7 billion budget gap this year. Legislation, such as HB 115 and HB 111, would equitably share the burden of supporting our state services and economy by: using a portion (4.75%) of the market value of the Permanent Fund for government operations, protecting a dividend of over \$1000/person, reinstituting a state income tax (15% of federal income tax), and adjusting the oil and gas production taxes.
