FISCAL NOTE ANALYSIS

STATE OF ALASKA
2017 LEGISLATIVE SESSION

BILL NO. SCS HB 16(RLS)

Analysis

This bill enables the State of Alaska to issue more secure state identification and comply with the Federal Government's requirements for more secure and tamperproof state IDs. If this bill is not passed, Alaska's citizens would need to have other federally approved identification in order to travel by air, as well as for access to all federal buildings in the State of Alaska, including military bases.

The Department of Military and Veterans' Affairs anticipates no fiscal impact to the department or the Division of Homeland Security & Emergency Management.
