Dear David Teal:

The Operating Budget bill (CCS HB57) and Mental Health bill (CCS HB59) include intent language for the Department of Health and Social Services relating to transfers between appropriations:

It is the intent of the legislature that the Department of Health and Social Services submit a report of transfers between appropriations that occurred in the first half of FY2018 by January 30, 2018, and a report of transfers in the second half of FY2018, by September 1, 2018, to the Legislative Finance Division.

The Department of Health and Social Services did not have any transfers across appropriations during the first half of FY2018.

If you have additional questions, please contact me at 465-1630.

Sincerely,

A handwritten signature in black ink, appearing to read "Shawnda O'Brien".
