FISCAL NOTE ANALYSIS

STATE OF ALASKA 2018 LEGISLATIVE SESSION

BILL NO. HB 379

Analysis

Current law, AS 23.35.145, provides that if a fisherman files a claim against both the Fishermen's Fund and the vessel owner's protection and indemnity (P&I) insurance policy, the vessel owner may be reimbursed the lower of 1) 50% of the P&I insurance policy deductible or 2) \$5,000.
This legislation will allow a vessel owner to be reimbursed the lower of 1) 100% of the P&I insurance policy deductible or 2) \$5,000.
Over the past four fiscal years, there has been an average of seven vessel owner claims approved per year, with an average reimbursement of \$2,300 per claim. Increased fund liability reflected in this fiscal note assumes an average of \$5,000 per claim, for a total liability increase estimated to be \$18,900 per fiscal year. There is sufficient revenue in the fund to cover the increased liability.
