

Explanation of Changes
HB 51 to CSHB 51(TRA)
For the House Finance Committee

- A new Sec. 8 was added on Page 4, lines 6-8 to make the Act retroactive to January 1, 2016.

The following bill section was renumbered accordingly.

The Act was made retroactive as added protection so that state and private sector vessels addressed in the bill are fully covered and not left vulnerable due to the sunset of the exemption on January 1, 2016.
