Senate Bill 37 **Renewal of Alaska Vaccine Assessment Program**

Sectional Analysis (vsn A)

Section 1:

Amends AS 18.09.200(b) by removing the “phase in” language from statute as the Alaska Vaccine Assessment Program is now fully implemented.

Section 2:

Amends AS 18.09.220(a) by removing the “phase in” language from statute as the Alaska Vaccine Assessment Program is now fully implemented.

Section 3:

Repeals AS 18.09.220(e) by removing the opt out option for assesses since the program is no longer in the “phase-in” stage

Section 4:

Repeals the sunset provisions (to repeal the program in 2021) that were in section 5 of the original bill, SB 169 in 2014.
