#### Quotes

- The ferry is threaded into everything we do...You book your whole life around the ferry schedule.
- We have been building our economy around the marine highway, especially the fast ferry, for over 10 years.
- This community will not survive without the ferry.
- If we lost ferry service our business would likely go bankrupt.
- If ferry services were limited, this would have a huge impact on our local workforce.
- If AMHS stopped service, the population would drop substantially.
- AMHS is absolutely critical to recruitment and retention of employees.
- The ferry is a critical part of our success or failure...This is our road system. It just happens to be on the water.
