### Changes from SB22 Version A to CS SB22(RES) Version M

1. Title change:

- Removes reference to "application fees for salmon hatchery permits" from the title, as recommended by the bill drafter.
- Adds terms relating to mariculture, the Board of Fisheries, and the commissioner of fish and game to accommodate new Section 1.

2. New Section 1:

- Adds a new subsection to 16.05.300, which is existing law relating to meeting of the Board of Fisheries.
- This new subsection requires that the Board of Fisheries hold at least one annual meeting where the Department of Fish & Game presents an update on the status of the mariculture industry, including shellfish hatcheries. That meeting must be open to the public and provide adequate public notice.
