FISCAL NOTE ANALYSIS

STATE OF ALASKA 2019 LEGISLATIVE SESSION

Analysis

Senate Bill 12 amends the crimes of assault in the first degree (sec. 1), assault in the third degree (sec. 2), and sexual abuse of a minor in the third degree (sec. 3) to include additional types of conduct that would constitute that level of crime. It also makes a corresponding conforming change to the statute of limitations (sec. 4). And section 5 of SB 12 would provide that no credit for time served may be granted for time spent in a treatment facility or on electronic monitoring if the defendant is sentenced for a sex offense.				
The courts can apply these new provisions with no fiscal impact, and therefore submits this zero fiscal note.
