Subject: Confirmation hearing for Jason Brune

Dear Senator Birch

I am writing to express my support for the nomination of Jason Brune as Commissioner of the Department of Environmental Conservation.

Over the last 10 years I have worked with Mr. Brune on a variety of contentious issues covering a broad range of topics of importance to Alaskans, resource developers, and the environmental community. Mr. Brune is a consensus builder who can be counted on to fully explore and evaluate the science of all issues brought before him, with a focus on producing timely and effective solutions that will fully protect the environment, while allowing the economy of our State to continue to grow.

I urge his timely confirmation.

Thank you,
James Fueg
