Senator Birch,

I am writing to you in support of the confirmation of Jason Brune as Commissioner of the Department of Environmental Conservation.

I have worked professionally with Mr. Brune for many years, including during my tenure as Deputy Commissioner of the Alaska Department of Natural Resources. I have always found him to be extremely capable, honest, and hard working. He has always understood the need to balance responsible resource development with environmental stewardship. I believe he would be an excellent Commissioner of the Department.

Thank you for the opportunity to submit my comments.

Sincerely,

Ed Fogels
