Subject: Support for Confirmation of ADEC

Date: January 25, 2019

To: Senator Chris Birch, Chair
Senator John Coghill, Vice Chair
Senate Resource Committee

This email is to encourage the Alaska State Legislature's confirmation of Governor Dunleavy's appointment of Jason Brune as Commissioner of the Alaska Department of Environmental Conservation.

I have personally worked with Jason as a Board member for the Resource Development Council and have found him to be professional in his approach to working to conserve, improve and protect Alaska's natural resources and environment. It was always his position to work towards what is best for the people of Alaska. Jason has a strong background in responsible and science-based resource development. His education and work experience will enhance his ability to serve as ADEC Commissioner, and I fully support the Alaska State Legislature confirming him for this position.

Best regards,
Jan
