3 "WHEREAS, to protect the state's record or successful development, the input of the  
4 Gwich'in and Inupiat people, who currently and traditionally reside in the North Slope Borough  
5 and the Yukon-Koyukuk census areas, may be taken into consideration, and the full effects of  
6 development on the Porcupine and Central Arctic caribou herds, on which they traditionally  
7 rely, as well as the full environmental effects of the infrastructure needed to bring the  
8 resources to market, may be addressed through the environmental permitting process; and"
