Re: Confirmation of Jerry Burnett for Alaska Board of Game

Dear Co-chairs Tarr & Lincoln, and members of House Resources Committee, Resident Hunters of Alaska **supports** the appointment of Jerry Burnett to the Alaska Board of Game.

Last week our board got a chance to meet with Jerry to find out more about his background and knowledge of hunting and wildlife management processes.

We came away impressed with Jerry's experience as a hunter and his involvement over the years with hunting organizations and the Board of Game and Advisory Committee process. Jerry had gone over all the proposals for the upcoming Board of Game Southcentral meeting this week in Anchorage and is fully prepared and up to speed for his first meeting. We believe he will be an asset to the Board and well represent Southeast Alaska.

We ask you to forward his name for confirmation to the joint session.

Sincerely,

Mark Richards

Executive Director Resident Hunters of Alaska (RHAK)
