FISCAL NOTE ANALYSIS

STATE OF ALASKA
2019 LEGISLATIVE SESSION

BILL NO. HB 35

Analysis

This legislation changes the method that ethics determinations are made by the board of fisheries and the board of game. This bill may change the amount of time a board will spend on the "ethics disclosure" portion of a board meeting. Whether the impact is to increase or decrease the length of time will depend on the meeting, the member's background, and subjects before the board. The number of board meeting days is not anticipated to change, and thus there is no fiscal impact.
