In FY2016, the division received a federal grant focused on developing an external appeals process for health insurance consumers. Federal authorization for that award was appropriated as a multi-year project for FY2017 through FY2019. <br> In FY2019, the division was awarded $\$ 277.0$ to support the role of the division in implementation of and planning for selected Federal market reforms and consumer protections. <br> Federal grant opportunities are often issued on a short timeframe; for the most recent award, the grant solicitation was issued in May and grants were awarded in August. The Legislative Budget and Audit approved a Legislative Revised Program for the first year of grant funding on December 13, 2018. This federal authorization will allow the division to continue work on that federal grant in FY2020, and will ensure sufficient authorization is available for grant opportunities in the future. |  |  |  |  |
