August 23, 2017

To Whom It May Concern:

The Chickaloon Village Traditional Council which has in the past been opposed to the electrical intertie proposal connecting Sutton and Glenallen is now willing to support the project and entertain an MOU to support the Rail Belt Inter-Tie (RBIT) organization.

This MOU will be on the September 20, 2017 Council meeting agenda for consideration. The one condition for support which has been raised is that the existing distribution corridor/right of way be used for the proposed new transmission lines.

May Creator Guide Our Footsteps,

Gary Hay  
Executive Director
