Subject: Senate Bill 63

Senator Bishop,

I am writing to urge you not to support taking raw fish taxes or decreasing any kind of revenue sharing measures that are before you. The raw fish tax revenues help Cordova and all our coastal communities maintain economic stability and support local services including education.

Please do not support Senate Bill 63 or any other measure that shifts tax revenue away from municipalities. Municipalities have experienced a decline in state support and rely on these revenues that are locally generated.

Thank you for your service on behalf of Alaskans.

Barb Jewell

Chair, Cordova Board of Education
