BILL NO. HB70

Analysis

This legislation amends AS 14.30.360(c) to require school districts to provide students in grades K-8 with the opportunity for 54 minutes (90% of the daily recommended 60 minutes) of physical activity during each full school day. The legislation also adds an additional exemption from the required physical activity for students who receive school credit for participation in athletics or extracurricular physical activities. Finally, the bill establishes a Positive Leadership for Active Alaska Youth (PLAAY) Day on the Thursday preceding Presidents' Day. Communities and schools may observe PLAAY Day with 30 minutes of synchronized physical activity performed with their elementary students at 10:00am.
