Hello Mr. Trevor Fulton,

I was advised to send this through you. I am attempting to get a letter of Support for SB87 into the document packet for the Wednesday April 3rd hearing on SB87. I was advised that doing this would allow the Senate Resources Committee to have this letter.

Dear Chairman Birch and Members of the Senate Resources Committee,

I am a born and raised Alaskan. I spent a few years out of State for higher education and professional school. I hunt all over this State. I am currently on the Matanuska Valley Fish and Game Advisory Committee. I write to you today though for myself. I am in **FULL SUPPORT** of SB87. I think this conversation is long overdue. The Residents of Alaska will appreciate your support of this Bill as well. I have a four year old daughter and I want her to have the same opportunities I had to hunt growing up here in Alaska. It amazes me how one word can change the whole tone of piece of Legislation.

Thank you for your time,
