

Who Pays for Vaccine in Alaska?

Alaska Vaccine Assessment Program	Uninsured	TRICARE	Privately Insured, Policy Covers Immunizations	Privately Insured, Policy Does Not Cover Immunizations	Medicaid	AI/AN	VA	Medicare
Children Aged 0-18 Years	State supplies at no cost to provider						Not Applicable	
Adults Aged 19 Years and Older	Provider purchases or can opt in*	State supplies at no cost to provider		Provider Purchases		Provider purchases or state supplies†		Provider Purchases

AI/AN = American Indian/Alaska Native

*Providers can opt in annually for their uninsured population

†IHS beneficiary status or coverage through the VA is not considered insurance under the AVAP adult vaccine program. AVAP eligibility for these adults is dependent on a secondary insurance status or if the provider has opted in.
