31st Legislators Juneau

Dear Legislator,

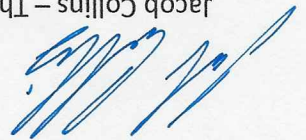

The Rotary Club of Seward urges you to support SB 100, to rename AVTEC's 3rd avenue dorm "The Willard E. Dunham Residence Hall". Willard is engrained into the history of this community, as well as the entire State of Alaska:

- For our club, he was one of the Charter members that started the Rotary Club of Seward.
- For our town, he is a large part of the reason we were able to recover from the tragedy of the 1964 earth quake.

-For our state, each of the residents of Alaska owe Willard a small thanks for the diverse educational and economic opportunities we enjoy in the last frontier.

Willard is a cherished member of our community and of our club. His name donning the 3rd avenue dorm will be an honor for AVTEC, the city of Seward, the residents of the hall and all those who pass by. The Rotary Club of Seward is emphatically in support of SB100. We hope you are as well.

Sincerely,

Jacob Collins – The Rotary Club of Seward President
