RE: Board of Game Nominees

Dear Governor Dunleavy:

The Kenai River Sportfishing Association (KRSA) would like to register its support for your selected nominees to serve on the Alaska Board of Game. We have confidence that, when confirmed, Jerry Burnett, Al Barrette and Orville Huntington will each serve Alaska admirably.

KRSA is a nonpartisan, nonprofit fishery-conservation organization that works to ensure the long-term health and sustainability of fishery resources in the Kenai River, Cook Inlet and elsewhere in Alaska, through advocacy of sport and personal use fisheries and the promotion of science-based fishery management and conservation. Members of the Board of Game share a joint role with the Board of Fisheries in ensuring that the fish and wildlife resources in Alaska are managed in a conservative, sustainable and equitable manner.

KRSA is confident that your nominees to the Board of Game will approach their work with the sense of duty and responsibility that such a role demands. KRSA looks forward to a swift confirmation process by the Legislature.

Sincerely,

Ben Mohr  
Executive Director
