Education, Training, Experience & Qualifications

List both formal and informal education and training experiences:
High school graduate, Bachelor of Science Degree, Juris Doctorate of Law Degree, Alaska Native Executive Leadership Program Certificate. From 3rd grade until my second year of college I commercial fished in the summers on multiple different fishing vessels for multiple different skippers which provides me an understanding and appreciation for the commercial fishing industry. I also spent a great deal of time in rural coastal communities which provided me with an appreciation for subsistence use as it applies to fisheries. While I do not engage in commercial fishing any longer, nor have I engaged in subsistence use of fish, I understand the concerns of people who do engage in fisheries in these ways. I also understand the concerns of personal use and sport fishing participants in fisheries.

List any professional licenses, certifications, or registrations and dates obtained that may be used as qualifying criteria:

I do not work in the Alaska fishing industry in any capacity, although I was a commercial fisherman as a minor and into early adulthood in the 1990s. I commercial fished in Bristol Bay for one season during the summer of 2013. With that said I do not hold any current licenses, certifications or registrations with direct relevance to this board other than a sport's fishing license.

List any community service, municipal government, and state positions held, and any awards received. I formerly served as Senior Advisor to Governor Walker on Rural Business and Intergovernmental Affairs.

My community service includes serving on the Violent Crimes Compensation Board- Volunteer; Serving on the Tribal Advisory Council to FirstNet- Volunteer; and past service on the Municipality of Anchorage E-911 ad hoc Task Force- Volunteer; and serving as a volunteer lobbyist for crime victims rights.
