I strongly support the appointments of Karl Johnstone, Israel Payton, and Marit Carlson Van-Dort to the Alaska Board of Fisheries. Mr. Johnstone's previous outstanding service on the Board of Fisheries is well known and was recognized with a commendation from the Alaska Legislature. Mr. Payton has served very well in his present capacity as a Board of Fisheries member. Ms Carlson Van-Dort brings a new and balanced perspective to the Board. Please approve their appointments.

Dear Representative Lincoln,

I am in full support of Karl Johnstone, Israel Payton and Marit Carlson Van-Dort for the Alaska Board of Fisheries.

As the chair of my professional board, I understand the need for fair representation of public interest in our Boards.

I feel these three candidates will be excellent members of the Board of Fisheries.

Sincerely,

Damien R. Delzer
