Re: Public Records Request – HB31-LS0422\A – Boat Information Titles vs. Registrations

Dear Ms. Holland:

This should help you with your questions. This part of the DMV website is very user friendly and has a lot of helpful information.

The Boat Page is [here](#). If the boat is large it is most likely a documented boat and does not need a title.

Boats exempt from being titled in Alaska:

- An undocumented boat 24 feet or less in length
- A boat of any length documented with the U.S. Coast Guard
- Note: A documented boat is also exempt from state numbering, however, the State of Alaska registration decal must be displayed.

If you have any additional questions, please contact me at 907-465-2200 or via email at [kelly.hanke@alaska.gov](mailto:kelly.hanke@alaska.gov).

Sincerely,
