Hello,

My name is John B. Mills Jr. and I would like to express my support of Senate Bill 90. I have spent most of my life commercial fishing and set netting with my family in Cook Inlet Alaska. I believe that SB 90 is an excellent proposition that could have widespread benefits for commercial fishing families and other Alaskan residents as well. I am in total support of SB 90 and look forward to seeing the benefits of its approval for the great state of Alaska.

Sincerely,

John B. Mills Jr.
