Page 8, following line 24:

Insert new paragraphs to read:

"(20) "natural person" means a human being, regardless of age, race, religion, size, sex, citizenship, ancestry, disability, deformity, location, gender identity, sexual orientation, stage of development, life expectancy, or condition of dependency from the moment of conception;

(21) "preborn child" means a natural person from the moment of conception who has not yet left the womb;"

Renumber the following paragraph accordingly.
