

**SB 32 – CRIMES; SENTENCING; MENTAL ILLNESS; EVIDENCE
CHANGES FROM VERSION “A” TO VERSION “S”**

April 23, 2019

- **Removed sections regarding criminalizing the refusal to provide a DNA sample upon arrest.**
- **Removed language relating to sentences for marijuana possession.**
- **Clarified that the criminal code relating to marijuana does not apply to legal marijuana use, possession, or sale under AS 17.38 or to the hemp industry.**
- **Added sections recriminalizing all forms of driving with license canceled, suspended, or revoked. This offense will be a class A misdemeanor punishable by a minimum of 10 days with 10 days suspended upon the first offense and a minimum of 10 days active jail time upon the second offense.**
- **Tightened up language relating to terroristic threatening. Ensured that a person needs to make a threat which places another person in fear with reckless disregard that that threat could cause the evacuation of a building or other public inconvenience.**
