Subject: Repeal and Replace SB 91 this year!

Because of SB 91, crime rates are up 26%. We must get rid of this legislation once and for all. This legislation is tying judges hands. Governor Dunleavy's crime legislation will to help to make Alaska a safer state once again.

Please support Governor Dunleavy's crime legislation to repeal and replace SP 91 !

My vote for or against you in the future will depend on what you do with this and other legislation.

Sincerely,

Subject: Repeal SB91, it's not working.

Please repeal SB91 this year.

Crime is way out of control. Catch and release is not working. Someone who is breaking the law needs to serve the consequences, not get a slap on the hand and do the same thing again and harm the Alaskans who work hard for what they own. Do the crime pay the time. We need a safe Alaska. Please repeal SB91 so justice can be served.

Sincerely,

Wade and Brenda Charles

Subject: Repeal of SB91

SB91 has contributed to higher crime. I worked with homeless Veterans with alcohol and substance abuse. Many concurred that this bill did not encourage them to follow the law. In fact, many repeat offenders because the sentencing was so light or non-existent. Those Veterans who made a choice and were eligible for Veterans Court did better for rehab. Judge Wallace was tough but fair. We need reform but there must be accountability. Please support Governor Dunleavy in repealing SB91.
