Explanation of Changes

CS SENATE BILL NO. 91 (FIN)

version: 31-LS0520\S

AS 41.21.161 Establishes the Wood-Tikchik State Park; AS 41.21.167 lists incompatible uses and specifies certain uses that are allowed (or “not considered an incompatible use”).

The previous version of SB91 simply added Nuyakuk River Falls to existing section (c), which allowed development and operation of a hydroelectric site and Lake Elva or Grant Lake.

The proposed CS puts this project in its own section (e) and defines specific conditions for this site, listed on page 1, lines 8-11, in order to respond to local concerns about this project.
