Sectional Analysis

SB 74
(version K)

“An Act relating to funding for Internet services for school districts; and providing for an effective date.”

Section 1 AS 14.03.127(a)

Increases the internet download speed from 10 megabits per second (Mbps) to 25 megabits per second (Mbps) for every school in Alaska.

Sec. 2.

- (a) Conditional language: Sec. 1 of the Act will take effect on or before January 1, 2020 only if the Department of Education and Early Development has received certification from the United States Department of Education that E-rate funding may be excluded from the federal disparity test.
- (b) If the condition in (a) is met, the Commissioner of Education and Early Development will notify the revisor of statutes that the certification was received.

Sec. 3.

If conditions in Sec. 2, are met the Act takes effect the day after the date the commissioner of Education and Early Development receives certification from the United States Department of Education.
