**Subject:** HR 12 - Statement from LAA  
**Date:** Friday, January 31, 2020 10:02:03 AM

---

It is the sponsor of HR 12's intent that there would be no additional cost to the Legislature in establishing the House Special Committee on Climate Change. Provided that meetings held during the interim are located at a Legislative Information Office (LIO) that is staffed year round, such as in Anchorage or Fairbanks, there would be no additional cost to the Legislative Affairs Agency to provide support to those meetings.

Thank you,

Santé Lesh  
Admin Operations Manager  
Legislative Affairs Agency  
Alaska Legislature
