## FISCAL NOTE ANALYSIS

STATE OF ALASKA  
2020 LEGISLATIVE SESSION

BILL NO. HB0185

### Analysis

The proposed legislation adds commercial vessels with a valid commercial fishing license to the list of boats that are exempt from numbering and registration. The registration fee for each power boat is \$24.00; the fee for each non-power boat is \$10.00. Registration fees are collected every three years, or upon a change of ownership.

Boats that exceed 24 feet in length are also required to be titled. Title fees are collected once upon the original issuance of the title, or upon a change of ownership or duplicate request by the owner. 2019 was the first year that commercial fishing vessels documented with the US Coast Guard were required to be titled and registered so the Division of Motor Vehicles (DMV) assumes the following years will follow the same registration trend as historical years. The DMV doesn't have data that tells us how often these boats are sold but the DMV estimates it is 10% or less to estimate title transaction demand.

#### Revenue Collected for Commercial Fishing Vessel Registration Fees in 2019

<u>Year</u>	<u># Boats</u>	<u>Class</u>	<u>Registration Fee</u>	<u>Revenue</u>
2019	1,895	Power	\$24	\$45,480
2019	3	Non-Power	\$10	\$30
2018	423	Power	\$24	\$10,152
2018	2	Non-Power	\$10	\$20
2017	348	Power	\$24	\$8,352

**2017/2018 Average Revenue Collected: \$9,262**

**Added Annual Impact from 2019 Registration Requirements: \$12,082.67**

**Total Forecasted Annual Registration Revenue: \$21,344.67**

**Assuming that 10% of fishing vessels are sold each year, annual title revenue would be as follows:**

<u># Boats Eligible for Titles</u>	<u>Title Fee</u>	<u>Total Collected Revenue</u>	<u>10% Revenue</u>
2,920	\$20	\$58,400	\$5,840

**Total Forecasted Registration Revenue Impacted: \$21,344.67**

**Total Forecasted Title Revenue Impacted: \$5,840.00**

**Annual Forecasted Commercial Fishing Revenue Reduction: -\$27,184.67**
